

Women in Sport and Exercise

'Advocating gender equity in all areas of the sport and exercise domain.'

Our Community

The WISE task force is formed from a wide range of staff and students across the University of Worcester including representatives from all academic departments, many service departments and the Students' Union.

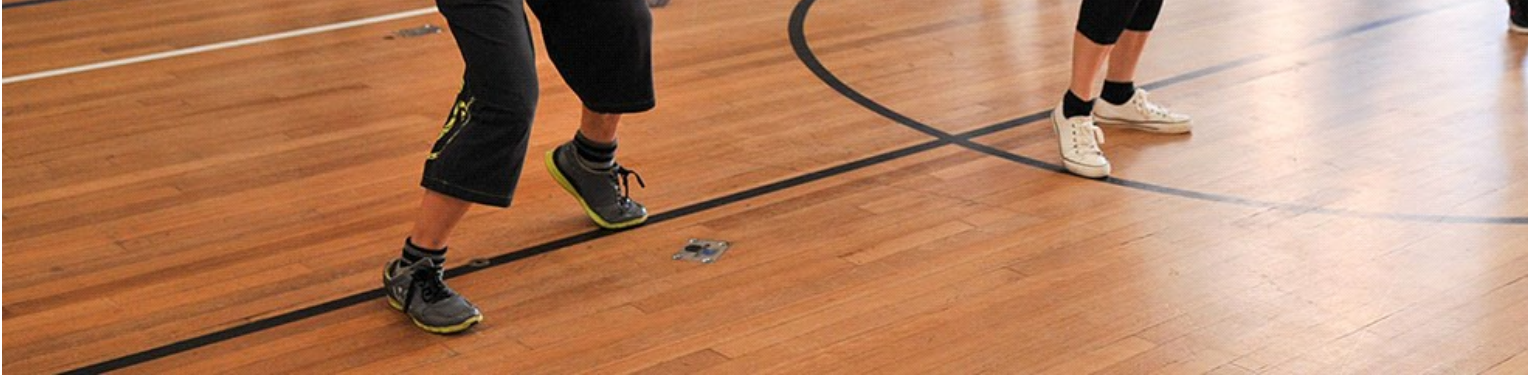

WISE Insights

The Women in Sport and Exercise Research Interest Group is an integral part of the WISE initiative set up by the University of Worcester to advocate gender equity in all areas of the sport and exercise domain.
